AT THE METHODIST CHURCH

Large Audiences Listen to Two Able and Eloquent Sermons by Bishop Wilson

The services at the Methodist church yesterday morning drew a large crowd, completely filling the main audience room. Bishop Alpheus W. Wilson of the M. E. church, South, filled the pulpit and preached a magnificent sermon, full of deep spirituality.

The singing by the choir was splendid. Mrs. Hilburn's solo was a feature of the devotional exercises. She sang beautifully, with feeling and expression.

Following the usual announcements, which included a meeting of the stewards of the church tonight at the pastor's study, was a reminder by Rev. J. P. Hilburn, financial agent of Sutherland Seminary, that the obligations of the church had been met, with the exception of a balance due the presiding elder and pastor's salary of \$237. A collection was taken and \$85.50 of this was raised.

The Baptist church adjourned their morning session and united with the Methodists, in compliment to Bishop Wilson.

The evening services were more largely attended than those of the morning, the Baptists, Christians and Presbyterians joining in the services, and the annex to the main audience room was thrown open for the reception of the public, and was comfortably filled. The text for the morning discourse was taken from John 12:32: "And I, if I be lifted up from the earth, will draw all men unto me."

At night the bishop took for his text John 14:12: "Verily, verily, I say unto you, he that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

The bishop is a scholarly man, a deep thinker, and a very logical and impressive speaker, a thorough student of the Bible, and his discourses abounded with apt and forceful quotations of the great book to illustrate, emphasize and clinch his unanswerable arguments which he made for Christ, and for the world to serve him. The sermons were rare treats to those who love biblical preaching.

The visiting ministers present yesterday were Presiding Elder Cole, Howard Dutil, former pastor of Ocala, but now of Hyde Park, Tampa; J. P. Phillips of Brooksville, Dr. Frank of Lady Lake, J. L. Jones of Belleville, J. P. Durranee, conference colporteur, Sutherland.

A Drive

This morning Mr. B. H. Seymour took Bishop Wilson to see the beauties of Silver Springs, accompanied by Reverends Hilburn and Durranee.

Mr. and Mrs. Will J. Chambers will entertain this evening at a 5 o'clock tea Bishop Wilson, Pastor Hendry, Presiding Elder Cole, and the visiting pastors.

The bishop will remain in Ocala until Wednesday.

STARTLING EVIDENCE

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by the Anti-Monopoly Drugstore. Trial bottle free. Regular sizes, 50c. and \$1.

ROBBERY AT OXFORD

Sunday morning at 1 a. m., the safe in the storeroom of Will C. Stepp was burglarized of \$400 in cash. No clue to the perpetrators. The report was heard by Mrs. Blair, mother of Mack Blair, but she thought it was some one just firing off a gun. Mr. Stepp and Will Odell were in the city today trying to get some trace of the robbers and interest our officers in them.

THE FIRST WARD CONTEST

A Voter of That Municipal Division Gives His Reasons for Supporting Charlie Brown

Editor Star: Tomorrow is the date for our municipal election. As to the mayoralty contest, they are both good men and would do honor to our city and enforce her laws with justice and equity.

Ours, the first, is the only ward in which there is any contest for councilman. This is unfortunate, as this is an important position.

The present city council has certainly not done what it should. It has laid itself liable to grave doubts as to whether or not the city's work has been given to the lowest bidder. In fact, we have no proof that it has done aught for the betterment of the city.

Mr. Gates, our present alderman, is a good man and has done us no harm, but he has held his position a long time, and I, for one, don't believe in any man marrying an office, to have and to hold till death does them part. Of the candidates in the race, Charley Brown is the only one who made us any promises or gave us any idea of what he intended to do, if elected. The others seem to be running on the platform of do as they please. His planks regarding city water, country cattle, Taylor's pond, street lights, contracts, and equality before the law for all, meet the approval of every voter I have met. He is young, and if he expects higher political favors, (and no doubt he does) he must look well to his conduct on the council, as on the record made there will depend his political future.

I have heard a great many citizens in Ocala, residing in other wards, deploring the fact that they could not vote for this rising young champion of the people. Don't be influenced tomorrow by the ward heelers who are sure to be in evidence at the polls, in the employ of some wealthy candidate, but cast your ballot with the majority of your neighbors for C. M. Brown, Jr., the young candidate who is not afraid to say what he will do.

Yours for the right,
First Ward Voter.

HE FOUND A CURE

R. H. Foster, 318, S. 2nd St., Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years, have tried many doctors without relief, but I have found a cure in Herbine. I recommend it to all my friends who are afflicted that way, and it is curing them, too." 50c. at the Anti-Monopoly Drugstore.

GIRLS AND BOYS, ATTENTION

We want bright girls and boys to sell chances on the \$15 doll we are raffling. The Racket Company.

ACCIDENTALLY SHOT

Last Saturday afternoon, two negro boys, George Perry, aged 16, and Warren Edwards, aged 13, were hunting near Mr. Capleman's, on the Sharp's ferry road. They stopped at the house of a negro by the name of Campbell, where they were grinding cane, and leaned their guns up against the wheel of a wagon. The driver started his horse, and as Edwards' gun was falling he grabbed it, and it was discharged, instantly killing Perry. Perry's gun was leaning against his body, and the charge from Edwards' gun cut one of the barrels in two and almost severed his (Perry's) thigh from his body. The coronor's jury this morning rendered a verdict of accidental death, and discharged Edwards.

GOOD FOR CHILDREN

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Dr. Armstrong of Delia, Tex., prescribes it daily and says there is no better cough remedy made. Sold by William Anderson.

R. M. Driggers and son, Mose Barber Driggers, of the Oxford section, Mr. Peter Durisoe of the Grahamville section, I. Johnson of Morriston and Mr. and Mrs. C. C. Stevens of Berlin were in the city today and paid the Star a pleasant call. We are pleased to state that Mr. Durisoe, who has been very sick, is up and feels quite like himself again.

SILENCE!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate.

The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of free consultation by letter. All correspondence is held as strictly private and is confidential. Address Doctor R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Favorite Prescription establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"Having used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' during the past year," writes Mrs. Mattie Long, of Fount Valley, Perry Co., Pa., "I can truthfully recommend these medicines for all female weaknesses. I have used several bottles of 'Favorite Prescription,' which I consider a great blessing to weak women. I was so nervous and discouraged that I hardly knew what to do. Your kind advice for home treatment helped me wonderfully. Thanks to Dr. Pierce."

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.
